🧹 Housekeeping

- Meeting will be recorded (but not published), feel free to shut off your camera
- Shared meeting notes (link)
- Raise digital hands if you want to talk
- Feel free to use the chat for questions/comments

Outline

- Welcome and introductions
- Community floor
- RSpace updates
- AOB

👋 Welcome and Introductions

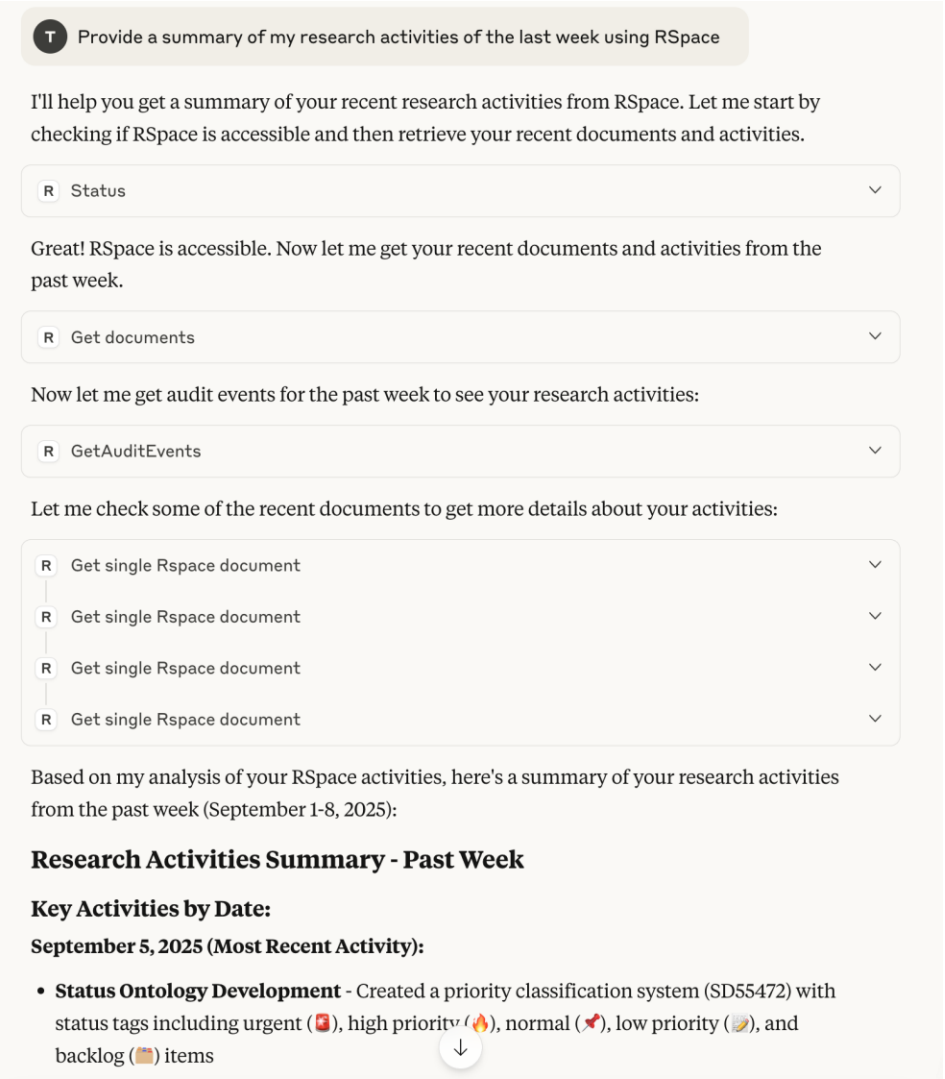
- Introduce yourself with your…
  - Name
  - Affiliation
  - Role
  - Interest in RSpace and the open-source office hour
  - Fun fact about yourself
- 🍿 hand over the mic to someone else

Community floor

- **Ákos Kukucska** (SZTAKI) - Improving the RSpace:Dataverse connector
- **Tim Meyer** (UMGöttingen and Smartlab.network) - an RFP for building a SiLA:RSpace adapter for lab automation
- **Sven Bingert** (GWDG, FDOForum) FDOs, Dataverse and RSpace
- (postponed) **Roman Baum** (ZBMED) – Terminology services of the NFDI (TS4NFDI) and integration opportunities

Community projects update

- PoC: RSpace MCP (Model Context Protocol) server extended and moved over to https://github.com/rspace-os/rspace-mcp



Community projects update

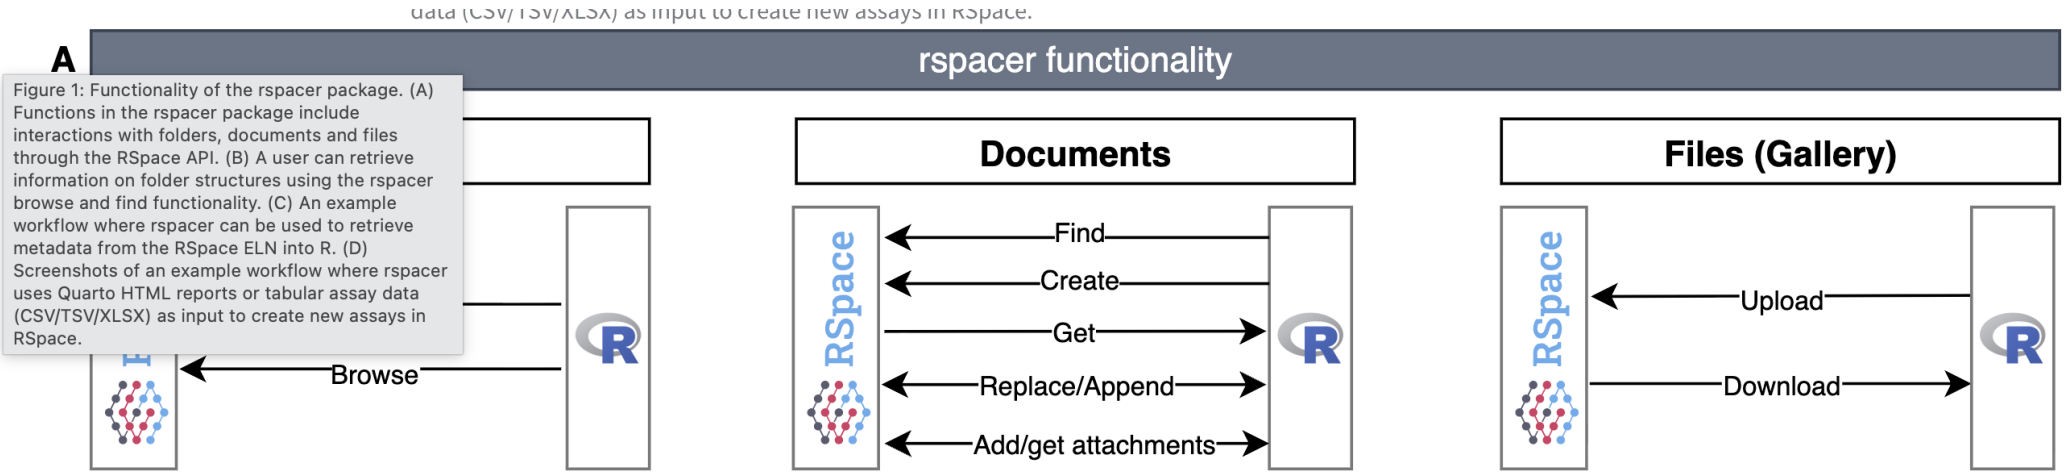


Figure 1: Functionality of the rspacer package. (A) Functions in the rspacer package include interactions with folders, documents and files through the RSpace API. (B) A user can retrieve information on folder structures using the rspacer browse and find functionality. (C) An example workflow where rspacer can be used to retrieve metadata from the RSpace ELN into R. (D) Screenshots of an example workflow where rspacer uses Quarto HTML reports or tabular assay data (CSV/TSV/XLSX) as input to create new assays in RSpace.

Chemistry

✅ PubChem import
✅ Stoichiometry tables for planning/analysing chemical reactions
🔜 Track your samples in Stoichiometry tables
🔜 Export to domain repositories

🎙️ Ongoing user research: sign up here
📁 Exporting to chemistry repositories – which ones do you/your users use?
🧑‍💻 Chemistry computational tools, e.g. property predictions?

📒 Jupyter Notebooks

✅ Automatically save Jupyter notebooks to RSpace versioned by notebook run

✅ Notebook previewer in RSpace ELN
